

## WHAT HAPPENS AFTER THE TOUR?

Thank you for coming in for a tour.

To make sure you are WELL orientated to our services, here is what happens next...

If you would like to join, please book in for an ORIENTATION DATE. The orientation date is a scheduled time for you to come in and spend a few hours with us; joining in the clubhouse work, meeting more members, and getting a feel for the place.

Once you have completed your orientation, the next step will be to fill out a membership form. After the membership form is filled out you are welcome to come in and participate anytime that you would like.

If you happen to have any questions regarding the process in becoming a member here at Crossroads Clubhouse, please feel free to stop in for a quick consultation or give us a ring at 09 376-4267.

Kind Regards,

Crossroads Clubhouse
